A Message from Pastor Greg

The resurrection of Christ brings hope! There is hope today that mistakes and sins can be forgiven. There is hope that we can have joy, peace, assurance and security in the midst of the despair of this age. There is hope because Jesus rose from the dead. Our hope is not in our own ability, goodness or physical strength. Our hope is instilled in us by the resurrection of Christ who empowers us to be "more than conquerors." Therefore, today is a day that we can say with confidence and joy, "He is risen! He is risen, indeed!"
