**Experiencing God: Joining God Requires Adjustments**

I. A Second Critical Turning Point Luke 9:23-24

II. Making Adjustments for Missions Acts 13:1-3

III. You Can't Stay Where you are and Go with God  
Ruth 1:16-18; Esther 4:14

### **Questions**

1. What adjustments is God presently asking of you? Do these include values? Actions? Relationships?

2. Is there an adjustment God has been asking you to make which you have found difficult? Is there something God is asking you to do right now that you are resisting?
