### **Questions**

1. How can you stay regularly immersed in the Word of God? Do you have a time scheduled each day to search the Word?
2. Why is it important for you to remain involved in the church family?
3. How can you win over the temptation that cause you to neglect your church investment?
4. Do you pray regularly? If so, do you have a scheduled time to pray each day as well as praying throughout the day as time permits? What are the promises that you have made to God because of this study? How will you keep them?
5. How do you process what God has done in your life because of this study?
