Questions

1. Why is it important to use the best people? How does using the best people insure we avoid favoritism?
  
2. How is using godly strategy reflected in communicating truth to leadership? What does it mean that Paul committed victory in the Christian life to God? How is that action a godly strategy?
  
3. How does conforming to the Word of God help us in avoiding conforming to pressure, dishonesty, selfishness, and false gospels?
